School Accountability Report 2007-2008 School Year

School Performance Summary

Overall Academic Performance on State Assessments **High**

Academic Growth of Students **Typical**

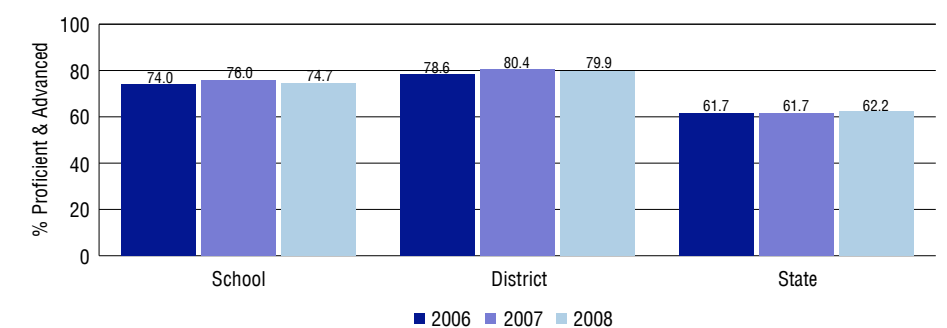

Overall Academic Performance on State Assessments

Each school in the State received a rating of "Excellent", "High", "Average", "Low", or "Unsatisfactory" for student academic performance based on 2007-2008 CSAP and COACT results. The rating is calculated using weighted percentages of each CSAP proficiency level for all content area and grade results for the school, as well as average COACT Reading, Writing, and Math Grade 11 results.

Academic Growth of Students

Each school in the State received a rating of "Low", "Typical", or "High" for student academic growth based on CSAP results. The calculation method is new for 2007-2008. The rating is calculated using student percentile scores matched over two years. More information about the Overall Academic Performance rating and Academic Growth of Students calculations can be found here: http://www.cde.state.co.us/cdeassess/SAR_Info.html.

SCHOOL INFORMATION

School Pride (as submitted by your district)

- Computer minilabs are a part of every classroom grades K through 5. They facilitate student use of network educational programs to enhance learning.
- Students participate in a variety of extracurricular opportunities such as the Art Show, music performances, cup stacking competitions, student council and band.
- Our Parent Information Committee supports teachers with grants for special projects, curriculum materials, field trips, guest speakers and more.
- Staff members are honored each month for going "above and beyond" in their professional duties.

School Goals (as submitted by your district)

1. Improve and maintain high achievement in reading, writing, and math
2. Align with completed science curriculum frameworks and implement new materials
3. Systematically implement the purchased K to 5 reading and literacy program
4. Develop an educational plan that focuses on identified goals according to student needs as determined by a body of evidence for our GT learners.
5. Develop and implement a program that provides new students a feeling of security, safety and a sense of belonging
6. Increase student and parent perception of positive school climate.
